### COMPANY OVERVIEW

Star Aluminium and general cont L.L.C started its journey since 2006 It is currently located at Musaffa-MW5 in Abu Dhabi.

We have a large workshop having 500 square meters at Mussafah –MW5. At Star Aluminum we specialized in the manufacture and installation of high quality architectural Cladding, All kind of glass works, Metal Construction, Aluminum windows, doors and Civil construction, Interioir Fitout, MEP works

We believe that our experience and skills are unmatched in the industry and would be very happy to talk you through your project, even if it is at its earliest planning stages. You may find that by talking to us and using our knowledge, you save both time and money. As a recognized specialist in our field, we carry out & handed over timely more then hundred project such as Multi stories building, School, Government offices, Shop, Super market, and housing associations, so you can be assured that our work is always completed to the highest standards of quality and safety.

Since the beginning the company took on her hand the responsibility to get a good reputation through over the contracting filed, which marks the company, Our strong reputation is built on our history of expertise, leadership and longstanding relationships with proven capacity to handle all of our customers' needs.

Star Aliminium and General Cont. L.L.C is committed to building excellence through partnership with our clients, consultants and Government by adhering to the highest quality and safety standards, delivering our projects on time and within budget.

# **V**ISION

Aims to be recognized as a leading and specialized contracting company delivering premium quality services and projects unparalleled in the industry. Our vision is to maintain and develop ours presence as a leading contracting company in the market, whose reputation built on trust that we provide what our clients need with high quility and efficiency to meet the customers satisfaction.

# **V**ALUES

### **Quality Standard :**

We never compromise on quality, we strive for excellence in every level of the projet and constantly snagging the works as project progress, to safegourd 'snag-free' finish at hand over.

### Safety :

We are commited and ensure quality of its services Health & safety of its employees, clients visitors and the community at large and protect the physical environment in which the SAGC associated business activites are crried out.

### **Comminication :**

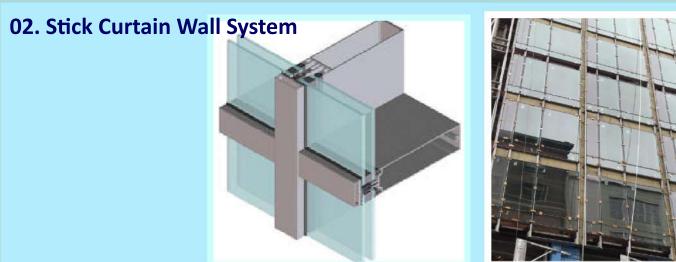

Our team working as a one person and they understand the whole spirit of the design so everyone can visualise what the final result should look like. we work together with our clients as one team constantly exchanging and transferring the ideas, to ensure the project run smoothly.

### **COMPANY CERTIFICATE**

### REGISTRATION CERTIFICATE

29 March 2022 Issue Date: We hereby register the Sub Contractor: v0003178 ADCE Vendor Code: With the following Civil Work Service(s): Approved for aluminum works.

Star Aluminium & General Contracting LLC Aluminum, Metal & Glass.

Remarks:

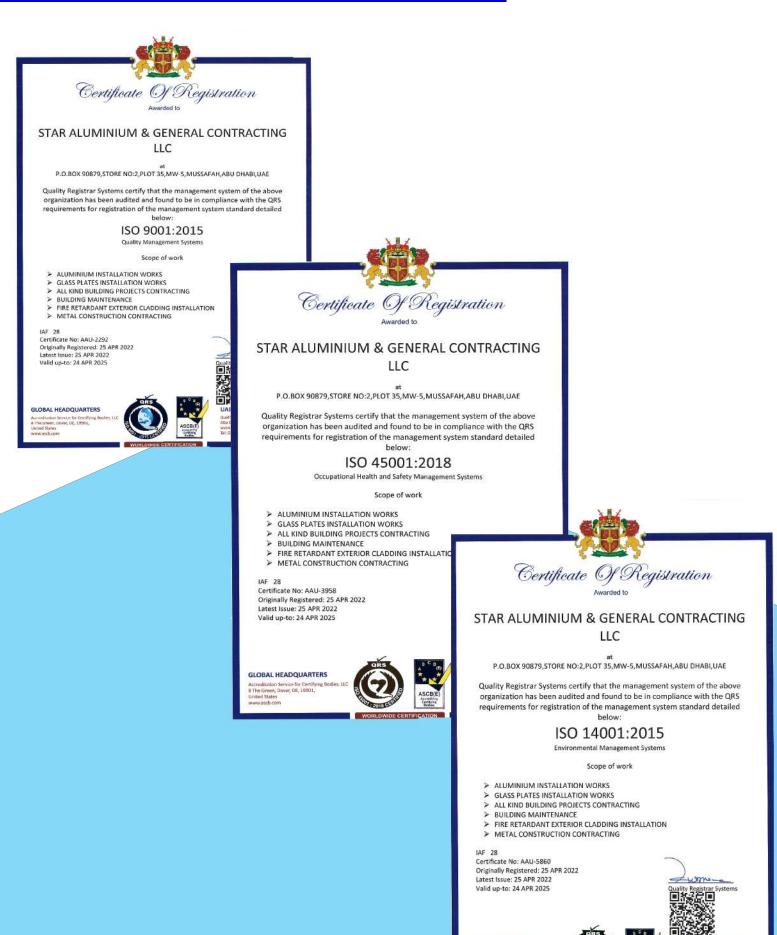

**Roger Zehil** 

**Registration Review Committee Signature 2** 

أيوظي التجاري للخدمات الهندس Abu Dhabi Commercial Engineering Services

Disdaimer: I) This prequalification approval does not absolve the sub-contractor from getting a 'project specific approval' by the project consultant and by ADCE. Whenever a pre-qualified sub-contractor applies for a specific project, they should go through the sub-contractor submission process where they should prove resource allocation, financing position and proper engineering staff. The issuing of this certificate does not confer any autimotity upon the Sub-Contractor. 2) This certificate is valid for one year from issue date.
